### Overview

#### Feature:

- 10 ft straight pop-up display with spring connections. It has an economic price and a stable structure. Graphics can be printed on a seamless backdrop and then installed with Velcro.

#### Includes:

- Straight Velcro aluminum frame with spring connections
- Soft trolley bag

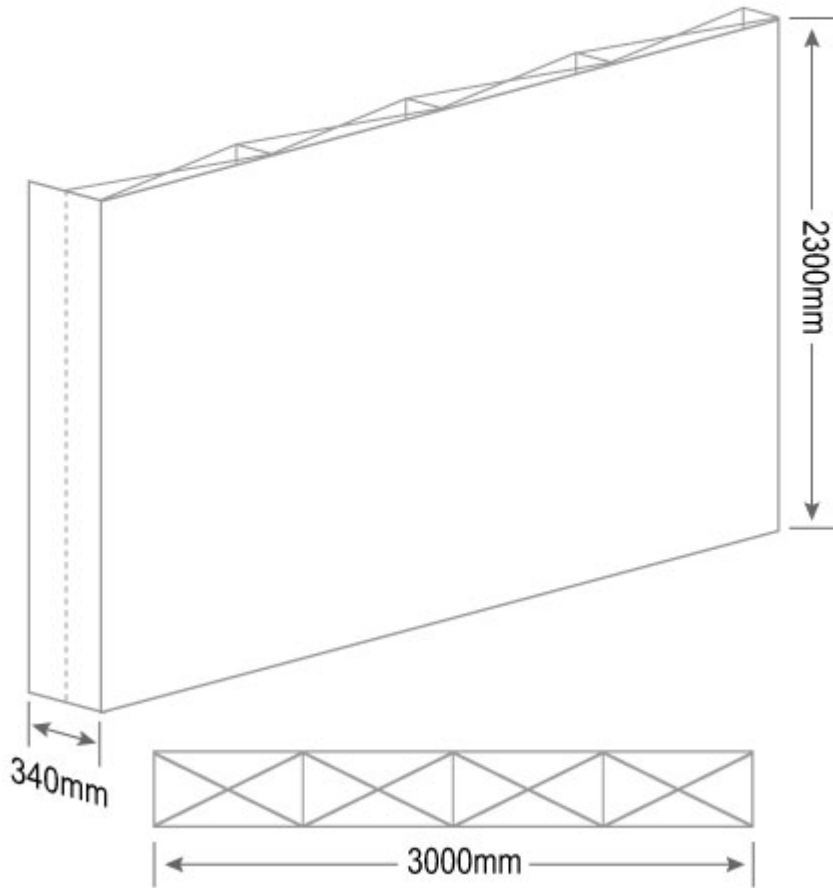

#### Description:

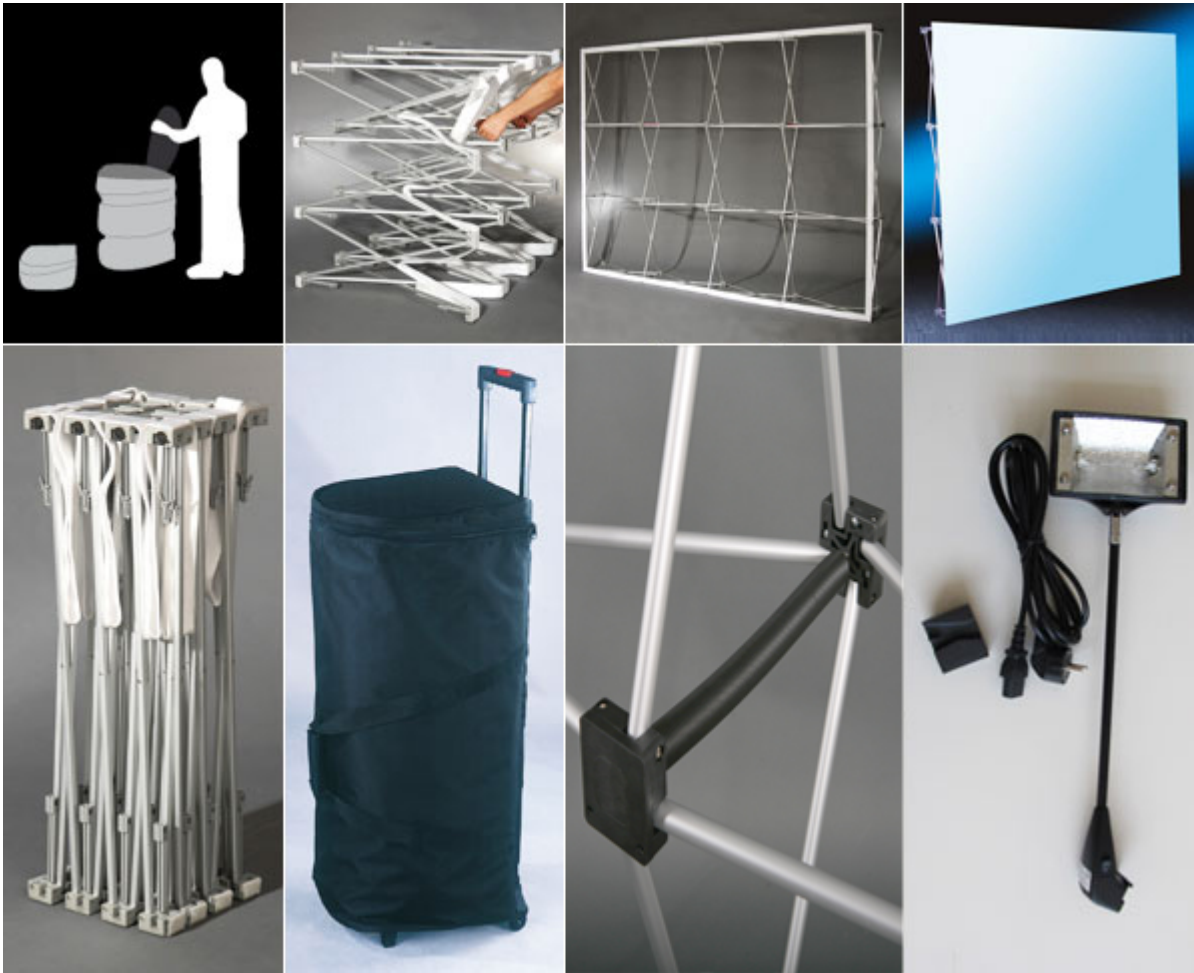

Place this pop-up display in your booth and instantly you've defined your space and created a warm environment for doing business. It's ten-foot wide and fits neatly into most of the trade show booths sizes. The graphics fits into the brushed aluminum frames using a Velcro adhesive. This trade shows booth sets up and breaks down in just minutes. The light weight economic Pop-up trade show display uses snaps mechanisms to set it up in an easy way.. The carrying case makes this unit perfect for those users on-the-go.

#### Application:

This "pop-up display", also known as an exhibit booth, is perfect for presenting 10 ft wide graphics at trade shows, conventions and exhibitions.
