Overview

Features:

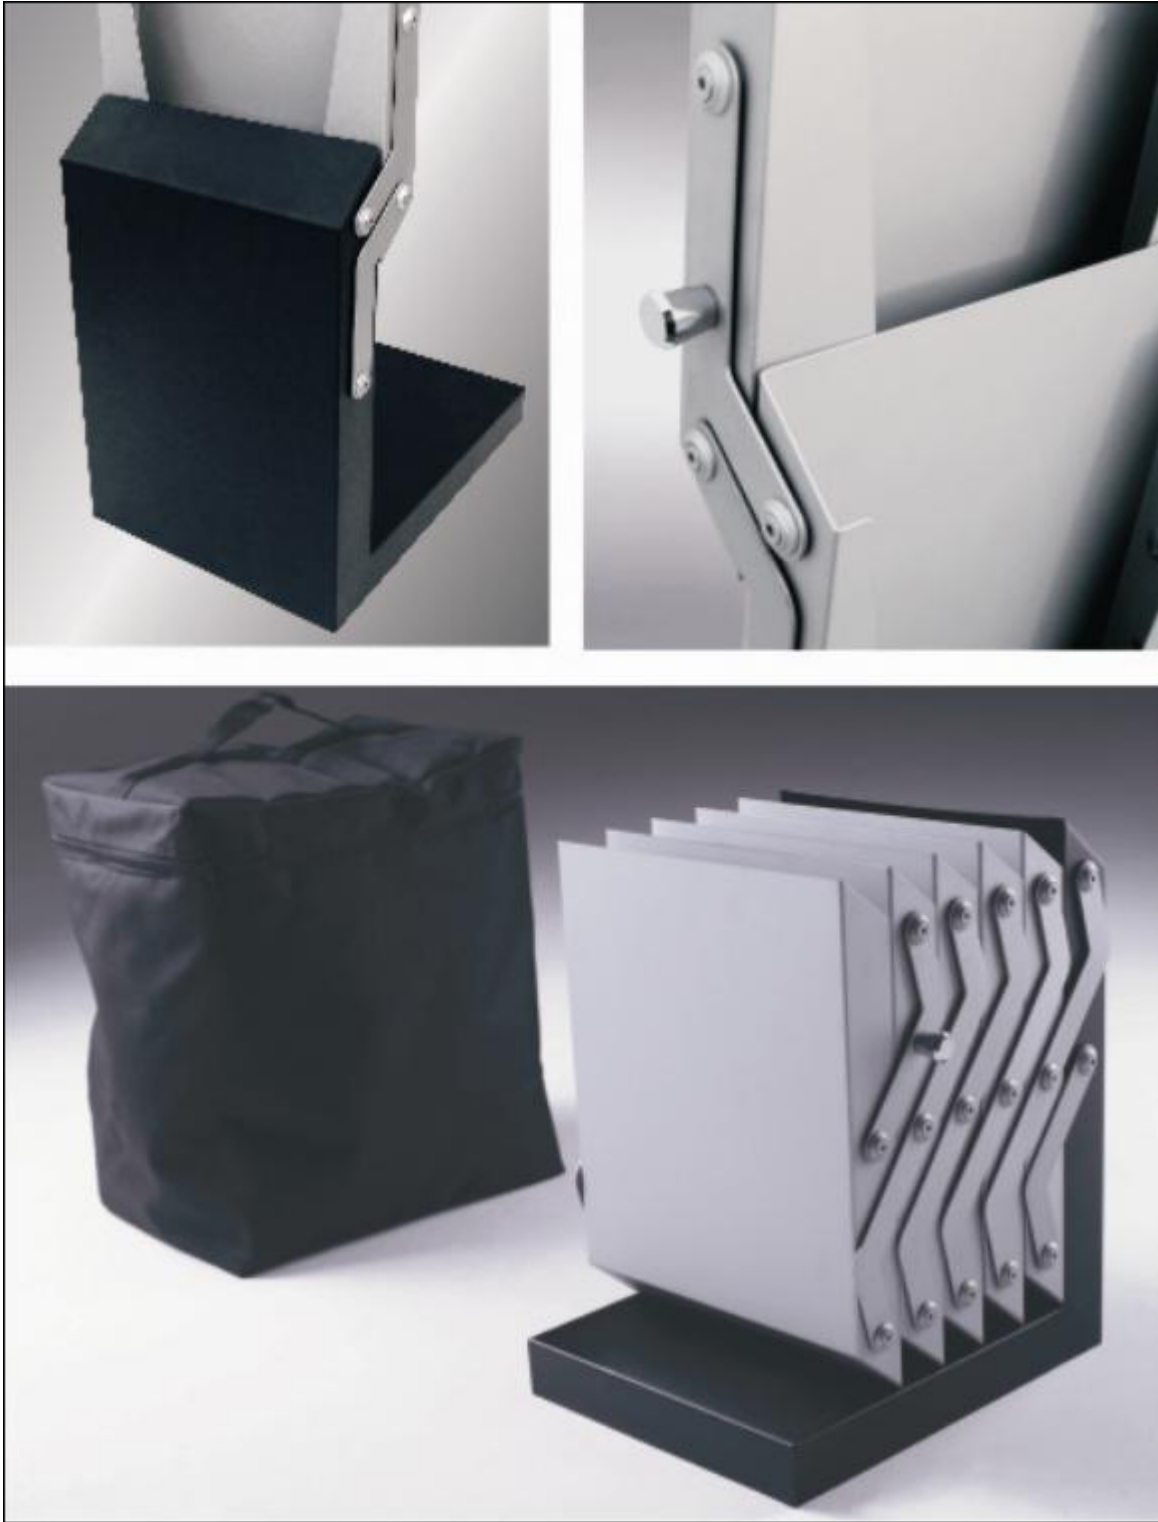

- . Steel heavy & stable base.
- . Silver finish.
- . Deluxe looking and best surface treatment.

Description:

This folding brochure stand has five one-sided pockets and will be a great addition to your trade show booth. The simple folding design makes transportation a breeze and you can even keep your brochures and literature in the pockets during transportation. Setup is as simple as taking it out of the bag and lifting up on the top.

Application:

The Brochure Stand is ideal for displaying brochures, magazines and corporate literature in the office or at exhibitions and corporate events.
