### Overview

#### Feature:

- Unique, and versatile pop-up tower that is easy to use and handle.

#### Includes:

- Custom printed graphics on PVC boards
- Round aluminum frame with magnetic connections
- 9 magnet bars
- Round trolley bag

#### Description:

The Pop-up Tower makes an ideal kiosk and attention-grabber for point-of-purchase displays. The graphics on the tower are quick and easy to install by one person. After using them they stow neatly into a carrying case for safe storage and easy transportation. The case fits into most cars sizes. No tools are required to install the graphic towers, as both, the pop up frame and the graphic panels, locks into position with the clever use of magnetic technology. Graphic panel sizes are 3. No. center panels 222cm (h) x 67.4cm (w).

We're available to help you organize the artwork and make your buying of the pop-up Display with us a positive, hassle-free experience.

#### Application:

The 360-degree branding solution it's ideal as a stand-alone display or as part of a larger exhibition display system.
