## QA

Q	My wife and I own a small sign shop and are looking for an inexpensive cold laminator for our printed graphics. Wanted to know if this machine would work well.
A	<p>this model is high quality and hot sale now.it is a very welcome machine on market now .it can satisfy your laminating printed graphic demand .This machine is auto stripping and collecting back paper,easy to operate.can be widely used for pre-masking vinyl graphic, mount prints on substrate, over laminating inkjet prints and so on.</p> <p style="text-align: right;">Reply by <a href="#">sign-in-china</a></p>
Q	Would this machine work with 1/8" thick aluminum sheets?
A	<p>Yes, Max. Laminating Thickness of the machine is 23mm.</p> <p style="text-align: right;">Reply by <a href="#">sign-in-china</a></p>
