### Overview

#### Feature:

. 10ft curved pop up display with spring connections. Magnetic panels to combine a whole unity. This is the traditional one.

#### Includes:

- . Curved aluminum frame with spring connections
- . 21 magnet bars
- . 12 plastic strips
- . 27.6m magnet tape
- . 6 PVC panels
- . Hard plastic case

#### Description:

This trade show display is the attractive mural backdrop for exhibit booths. It's ten-foot wide and fit neatly into most Trade Show Booths. This pop up display is easy to assemble. Users expand the truss simply by pulling it open. The display frame then latch in place with provided springs. The trade show display is very vibrant and attractive. Every set pop up display comes with a heavy duty travel case at no extra cost. The travel case includes roller wheels, dual handles, and lock-and-key security.

#### Application:

This "pop up display", also known as exhibit booth, is perfect for presenting 10ft wide graphics at trade shows, conventions and exhibitions.

# 10ft Curved Pop Up -Spring Connection

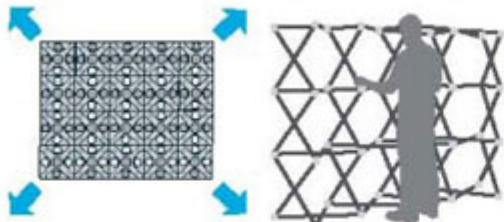

## POP UP SYSTEM - SET UP INSTRUCTIONS

- 1, You will find all the needed components in the carrying case

- 2, Remove frame, magnetic bars and the graphic panels from the carrying case

- 3, Place the frame on the floor with hubs with graphic hangers facing up and towards you. Grasp frame scissors and lift to expand frame

- 4, Apply the bars to all vertical quadrants on front side of the frame and to each end on back side of the frame. For a double sided frame, apply the bars also on the back side of the frame.

- 5, Hang the graphic panels on the top hub-hangers letting panels attach to bars. Do the same on both end-caps of the frame.

- 6, Close the transport case, put the black table top
