Description:

This trade show display is the attractive mural backdrop for exhibit booths. It's ten-foot wide and fit neatly into most Trade Show Booths. This pop up display is easy to assemble. Users expand the truss simply by pulling it open. The display frame then latch in place after you buckled the PC hooks. The graphic is highly portable. Metal posts attach magnetically with backgrounds that clip into place. Each unit is easy to ship or carry along with the included case. The graphic use high resolution panels. These durable trade show display panels will not tunnel or separate from years of rolling. The carrying case makes this unit perfect for those users on the go.

Application:

This pop up display are perfect for trade shows, conventions and exhibitions.
