Overview

Feature:

- 10 ft. straight pop-up display with spring connections. The seamless backdrop (heat transferred printing graphic) can be pulled tight and exhibits your image with incredible clarity.

Includes:

- Custom printed graphics (Doesn't include end caps)
- Straight Velcro aluminum frame with spring connections
- Soft trolley bag

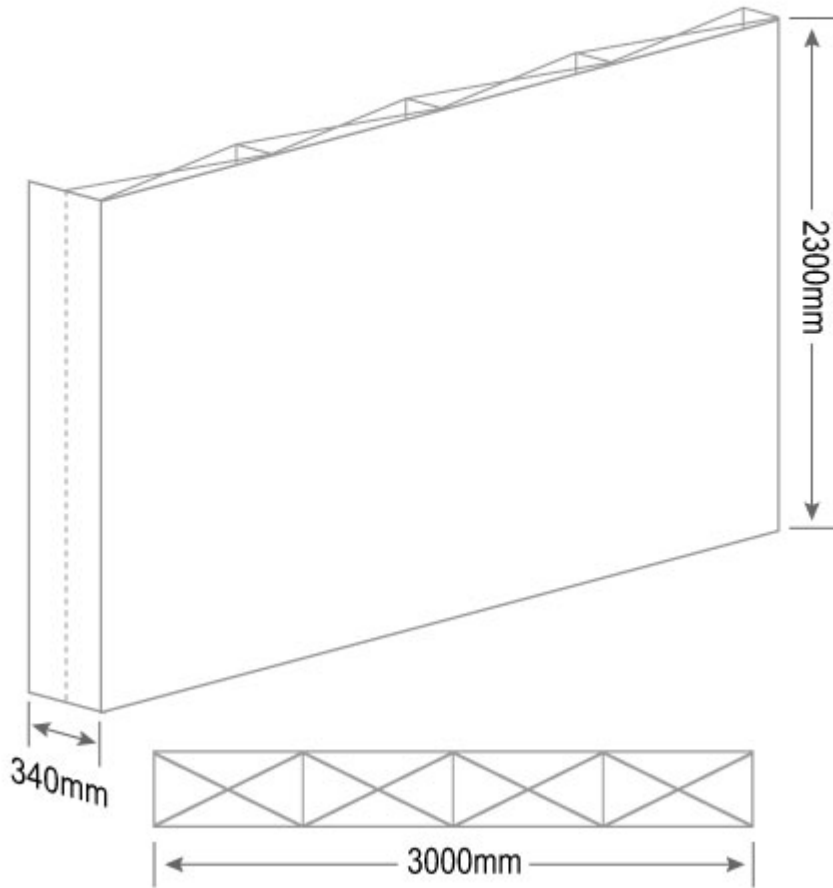

Description:

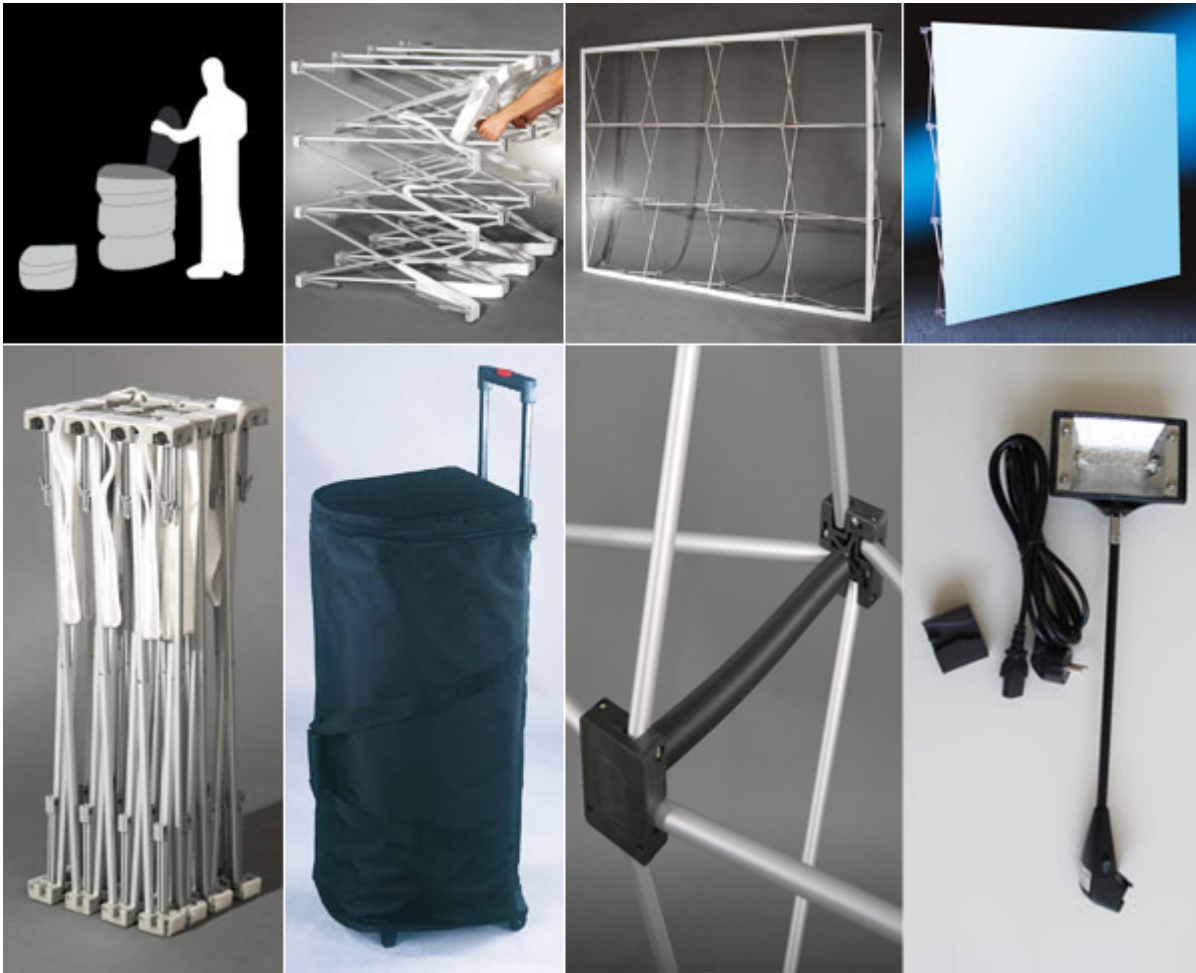

This trade shows booth, "pop up display" sets up and breaks down in just minutes. It's ten-foot wide and fits neatly into most trade show booths sizes. This pop-up display is sold with custom graphics that fits into the brushed aluminum frames using a Velcro adhesive. Printed on knitted polyester with a 720 dpi resolution, your custom graphic will attract attention to your booth. Our full graphic display creates a seamless backdrop for your exhibit and will vividly communicate your message. The carrying case makes this unit perfect for those users on-the-go.

Application:

This "pop-up display", also known as an exhibit booth, is perfect for presenting 10 ft wide graphics at trade shows, conventions and exhibitions.
