## 126" Large Format Heat Transfer Machine Separation Style 3200(3200mm Oil-warming Blanket Machine)

Item Code: CS-HTM-PDD-3200

Mini Order: 1 set

Shipping Weight: ★★☆☆☆

Average Rating: 3300.0lb (1500kg)

[Inquire Now](#)

### Overview

#### Description:

The oil warming blanket is the latest technology on the separation process of the digital thermal transfer printing machines.

Increase on the peripheral temperature is a fast process so the heat is even in the entire unit.

Operation efficiency is 2 to 3 times faster than before.

There is no need to cool the machine the blanket can be separated with the barrel.

The tension of the blanket can be easily adjusted.

A convenient operation failure power function is included in the machine.

Speed control frequency.

Automatic cooling function.

High efficiency and energy saving up to 40% less than ordinary oil based power.

#### Characteristics:

CS-HTM-PDD-3200 separation blanket with the separation barrel option, wide working size space 65" (1650mm), which makes the printing process more suitable for the entire roll of fabric.

#### Application:

The CS-HTM-PDD-3200 separation blanket is suitable for printing an entire roll of fabric, seat pad, foot pad, back pad, sleeping bag, handicraft fans, umbrellas, hanging painting and all kinds of fabrics can also be ironed, pressed and folded.

Voltage (V): 110/220/380V 50 HZ

Temperature (?): 0-399 (250)

Available working width: 122.0" (3100mm)

Heat drum size: 16.5" (420mm)/Dia.

Transfer printing speed: 98.4"-118.1" (2500-3000mm)/min

## QA

Q	Does this machine need cooling machine?	
A	No cooling machine is needed	Reply by <a href="#">sign-in-china</a>
Q	Does it has stable speed while working ?	
A	Yeah ,the machine has stable speed while working .	Reply by <a href="#">sign-in-china</a>
Q	Will this machine make loud noise ?	
A	No .this machine has low noise while working .	Reply by <a href="#">sign-in-china</a>
Q	Does this machine sutiable for seat pad ?	
A	yes .This machine suitable for printing on whole roll of fabric, seat pad, foot pad,back pad, sleeping bag, handicraft fan, umbrella and hanging paintings, and all kinds of fabric can be also ironed, pressed and folded	Reply by <a href="#">sign-in-china</a>
