### Overview

- . 15"x15" Telfon coated heat platen.
- . High Pressure Heat Press style.
- . Real-time display of temperature condition with automatic alarm.
- . Over-center pressure adjustment for easily to adjust the pressure.
- . CE approved.

**Description:**

This Manual heat press which is high-pressure style presses image onto an imprintable substrate. It adopts integrated LED display dashboard to show temperature and time accurately. Using high temperatures and pressures for a certain amount of time, the transfer is permanently embedded into `the` product, which is recommended for its professional and perfect transferring effect.

**Notice: Color of the machine is variable, and the color is random according to the ones in stock when you buy the machine. Certainly, you can choose the color we have made but need time to finish if it's not in stock. Also, you can customize the color you like but need extra cost and large order.**

**Related Products**

Epson Printer
