Overview

- .15" x 24" Swing-away type.
- . Digital time and temperature controller.
- . Evenly heating board for better transferring effect.
- . Teflon coated upper heat platen.
- . High-grade model, suitable to exportation.

Descriptions:

The Head-shaking heat press machine using superior metal materials to ensure it durable, adopts special high precision line-tube technology, effectively keep temperature equilibrating and stabilizing. It's a kind of high-grade heat press machine suitable for exporting and it can work without insulated cloth because of coating with a kind of layer on the surface of heating board to anti high temperature. It's convenient to use for the heating board could be shaken when you use it. It is widely used for T-shirt, key-chains, sheet, etc.

Notice: Color of the machine is variable, and the color is random according to the ones in stock when you buy the machine. Certainly, you can choose the color we have made but need time to finish if it's not in stock. Also, you can customize the color you like but need extra cost and large order.
