Overview

Features:

- . Includes a teardrop flag with full color, CMYK digitally printed graphics.
- . Carbon composite fiber poles, superb flexibility to prevent breaking.
- . The Water Base is designed to fit over the Rotating Base above, this gives greater stability outdoors in windy weather.
- . Flagpole is lightweight .Simple handling, no tools required.

Description:

A teardrop banner, or banner flag, is the perfect tool if you're looking to increase the visibility of your business without breaking the bank. The large, full-color surface of a portable flag or branding banner creates movement that attracts the eyes of customers and gets your marketing message across. For the price you pay, we believe that they are one of the best "bang for your buck" advertising and signage solutions. This portable flag stand are not designed to be used in winds exceeding 20 MPH.

Note:

Graphic artwork and printing idea are both accepted.

Graphic file requirement?
