How to Change Pictures

How to Change Pictures

The Crystal Super Slim Light Box has a unique design and it counts with the logo brand crystal engraving, which makes the light box more valuable and with a better appearance. You can choose the logo that is needed and it will be engraved. The light box it's made of high bright acrylic it is easy and safe to change the pictures, it saves energy and has a long lifespan. The light box counts with side light guides design to distribute evenly the light. The Clear Crystal Slim Light Box is super thin, its thickness is 0.32".

Applications:

This crystal light box with a nice logo brand crystal engraving is widely used in restaurants, shopping malls, supermarkets, store chains, garment stores, hotels, banks, airports, subways, and much more.

- Tips:**
- Tip 1. The overall Image size needs to be larger than the viewing size, in order to have a perfect fit of the image, this applies to all models A1 to A4.
 - Tip 2. The price is variable due to the customized logo. The price we quote is for the pictures we show on the website, so the final price should be re calculated.
