#### Description:

The X-Banner Stand is one of the most cost effective ways of displaying your banners. The exclusive fiberglass & aluminum design is a snap to assemble, and lightweight yet durable making it perfect for use in retail environments, banks, trade shows, exhibits & conference rooms.

## QA

Q

Can this X stand be adjustable in size?

A

Not now. As X banners are consumables for short term use, more features do not make more senses. That would be better if you put different sign stands for different displays.
