Overview

- . Embroidery cutting film
- . It's easy to operate with great effect
- . It can be cut any shape and letter by cutting plotter

Description:

The embroidery cut heat transfer film is fabric texture. The film can be cut kinds of letters, numbers and any other shapes by vinyl cutter. Logos could be cut and transferred on T-shirts and caps by heat press machine. The film is widely used for personal T-shirts, caps, sports clothes, uniform clothes, advertising shirts, color flags or mass production.
